The FGSG was organized in September 1995. The purpose of the Friends is to ensure the long-term sustainability of the Guiding Star Grange building, to promote and support the development of cultural programs that encourage music and dance in the building, and to facilitate cooperation between music and dance community members and the Grange. FGSG is a group affiliate of the Country Dance & Song Society, and as such has been granted 501 (c)(3) tax-exempt status. Donations to FGSG are fully tax-deductible as charitable donations.
